Serial No. **10/754,238**

Confirmation No. **7734**

REMARKS

It is believed that all of the claims are patentable over the prior art. Independent Claims 1 and 19 have been amended to correct minor typographical errors. The amended claims do not represent amendments that narrow the claim scope for any reason related to the statutory requirements for patentability. Several inadvertent errors in the specification are also being corrected. Accordingly, after the Examiner completes a thorough examination and finds the claims patentable, a Notice of Allowance is respectfully requested in due course. Should the Examiner determine any minor informalities that need to be addressed, he is encouraged to contact the undersigned attorney at the telephone number below.
